## The South West

### Busselton and Dunsborough

Explore Busselton with all the shops and cafes you could want. Take a walk on the southern hemisphere's longest wooden jetty, or along the bay. Experience Cape Naturaliste Lighthouse and Discovery Centre. Visit Dunsborough and stop at the bakery.

Take a walk through Nilgi Cave in Yallingup and see the wonderful stalagmites and stalactites. Visit the fabulous Yallingup Shearing Shed or, for the more adventurous, book a dive or snorkel on the wreck of the HMAS

Swan. A visit to the region would not be complete without exploring and tasting the wines from premium producers and, at your favourite, indulge in a vineyard lunch overlooking continuous rows of vines.

Meander through countless country lanes discovering galleries, taste boutique beers, local cheeses, and chocolates and more. Head back to the resort, and to the beach to watch the sun set over the Indian Ocean. Whale watching with Naturaliste Charters – Dunsborough (September – November) and Augusta (June – end August) is a great way to see the big mammals up close.

The South West of Western Australia features beautifully designed golf courses that provide a challenge for any level of golfer. Choose from a number of courses or play them all - indulge yourself on and off the course!

### Margaret River

Drive the length of Caves Road and discover vineyards, galleries, forests caves and more. Visit the Cape Leeuwin Lighthouse and see where the Indian Ocean meets the Southern Ocean. There is always the chance to spot whales from the shore near the lighthouse from June –November. For a taste of the coast, deviate from the road and discover tranquil private swimming bays, long sandy beaches or powerful world class surf. Visit the Margaret River township, stroll the main street and explore the many boutique shops, enjoy a coffee in one of the many cafes, or visit the Eagle Heritage Centre.
